

The city of New York has to pay the round sum of \$221,740.68, for blowing up a store at the great fire in 1835.

**ELECTIONS.**—News from the town elections in Maine, show handsome Whig gains. From New Hampshire, we have the following:

The Boston Atlas gives returns from 163 towns, out of 231 in the State. The result is, for Isaac Hill, (V. B.) - 21,877 Wilson, (W.) - 21,643

V. B. majority thus far, 234 Jackson maj. in same towns in 1832, 3946

Whig gain, 3712

It is said the Whigs will have a majority in the House of Representatives. Senate doubtful.—*Jour. and Reg.*

**CANTON BANK.**—We are informed that an arrangement has been made by the Canton Bank, which places its paper at par, in this city; and that it is now taken by the Franklin Bank of Columbus, and other Banks in the interior of this State.—*Jour. and Reg.*

"The Abolitionists, we learn, will bring out their own candidate for Governor.—*Statesman.*

They will probably make choice of Thomas Morris, one of the Van Buren Senators in Congress from this State, and one of the most zealous Abolitionists in Ohio. What effect will this have upon the prospects of Master Wilson, of Stillwater?—*Jour. and Reg.*

**STEAMBOAT OSCEOLA.**—The new Steamer now nearly finished at this place will bear the name of the distinguished Seminole—OSCEOLA. Her tonnage is 400,—is intended for freight and passage, to be propelled by a powerful high pressure engine, and will be ready for service about the first of May.—*Ashtabula Sentinel.*

We understand that six hundred negroes, belonging to a gentleman of New Orleans, lately deceased, are to be liberated according to his will, provided they are willing to go to Africa, in which case ample provisions is to be made for their transportation.—*Picayune.*

It is said that a severe shock of an earthquake has been felt in Mexico, which has almost totally destroyed the town of Acapulco.
